Other qualifications

5. CV

Please enclose your CV.

6. Statement of Motivation

Please enclose a statement explaining your major motivations, previous experiences and expectations concerning the postgraduate programme Public Health. We expect a statement covering at least 3 pages which will be important in evaluating your application.

7. Language Skills

Course language is German. A fluent command of German is required (DSH 2-Examination or TestDaF 4). A sufficient knowledge of English is appreciated, given the fact that large parts of course materials are written in English and several courses are taught in English.

Please hand in your applications by June, **15th** each year.

With my sign I herewith declare that I have completed this form to my best knowledge and that the information given is correct. I agree that the Heinrich-Heine-University is allowed to safe my personal information for further administrative needs.
